The Nightingale Difference

- Specialty programs, including a dementia care specialty focused on managing challenging behaviors
- Medicare Certified and licensed by the Arizona Department of Health Services
- Highly satisfied clients: 96% reported they would "use Nightingale again" according to a CMS survey
- Distinguished by a very low hospitalization rate, as compared to other Medicare certified home health agencies
- Rated "Top Home Health Care Agency and Women-Owned Business" by the *Arizona Business Journal*
- Available 24 hours, 7 days a week, including holidays
- All staff employed by Nightingale, eliminating risks and responsibilities associated with privately employing a caregiver
- All staff tested for competency, fingerprinted, background checked, insured, bonded and randomly drug-tested
- Locally RN owned and operated, serving the Valley since 1994
- Affiliated with professional organizations seeking industry excellence
