Orthopedic Rehabilitation

- Nightingale Homecare is a 4.5 Star, Home Care Elite agency that enjoys excellent patient outcomes, including a 0% rehospitalization rate for hip and knee replacement patients (data from 2014 to 2017)
- Home Health Rehab is the least expensive and safest rehab option
- Nightingale Homecare is an experienced and expert in-home rehab provider
- Orthopedic Surgeons understand that post-operative rehabilitation is just as important as excellent surgical technique

FAUZIA QADIR, RPT Rehabilitative Services Coordinator

Fauzia Qadir joined Nightingale Homecare in 2011. She has nearly twenty two years of experience as a Physical Therapist, including seventeen years in home care and thirteen years in management.

As Nightingale's Rehabilitative Services Coordinator, Ms. Qadir is focused on assuring implementation of evidence-based practice standards for rehabilitative services as well as developing new programs and program enhancements.

Ms. Qadir received her Physical Therapy degree from New York University in 1995 and has worked in the metropolitan Phoenix area for the past 17 years. She has extensive experience in rehabilitative program development as well as expertise in vestibular rehabilitation, wound care, orthopedic rehabilitation and sports medicine.
